Subpart B—Eligibility

§ 1805.200 Applicant eligibility.

(a) *General requirements.* (1) An entity that meets the requirements described in §1805.201(b) and paragraph (b) of this section will be considered a CDFI and, subject to paragraph (a)(3) of this section, will be eligible to apply for assistance under this part.

(2) An entity that proposes to become a CDFI is eligible to apply for assistance under this part if the Fund determines that such entity's application materials provide a realistic course of action to ensure that it will meet the requirements described in §1805.201(b) and paragraph (b) of this section within 24 months from September 30 of the calendar year in which the applicable application deadline falls or such other period as may be set forth in an applicable NOFA. The Fund will not, however, disburse any financial assistance to such an entity before it meets the requirements described in this section.

(3) The Fund shall require an entity to meet any additional eligibility requirements that the Fund deems appropriate.

(4) The Fund, in its sole discretion, shall determine whether an Applicant fulfills the requirements set forth in this section and §1805.201(b).

(b) *Provisions applicable to Depository Institution Holding Companies and Insured Depository Institutions.* (1) A Depository Institution Holding Company may qualify as a CDFI only if it and its Affiliates collectively satisfy the requirements described in this section.

(2) No Affiliate of a Depository Institution Holding Company may qualify as a CDFI unless the holding company and all of its Affiliates collectively meet the requirements described in this section.

(3) No Subsidiary of an Insured Depository Institution may qualify as a CDFI if the Insured Depository Institution and its Subsidiaries do not collectively meet the requirements described in this section.

(4) For the purposes of paragraphs (b)(1), (2) and (3) of this section, an Applicant will be considered to be a Subsidiary of any Insured Depository Institution or Depository Institution Holding Company that controls 25 percent or more of any class of the Applicant's voting shares, or otherwise controls, in any manner, the election of a majority of directors of the Applicant.

§ 1805.201 Certification as a Community Development Financial Institution.

(a) *General.* An entity may apply to the Fund for certification that it meets the CDFI eligibility requirements regardless of whether it is seeking financial or technical assistance from the Fund. Entities seeking such certification shall provide the information set forth in paragraph (b) of this section. Certification by the Fund will verify that the entity meets the CDFI eligibility requirements. However, such certification shall not constitute an opinion by the Fund as to the financial viability of the CDFI or that the CDFI will be selected to receive an award from the Fund. The Fund, in its sole discretion, shall have the right to decertify a certified entity after a determination that the eligibility requirements of paragraph (b) of this section, § 1805.200(b) or (a)(3) (if applicable) are no longer met.

(b) *Eligibility verification.* An Applicant shall provide information necessary to establish that it is, or will be, a CDFI. An Applicant shall demonstrate whether it meets the eligibility requirements described in this paragraph (b) and § 1805.200 by providing the information requested in paragraphs (b)(1) through (b)(7) of this section. The Fund, in its sole discretion, shall determine whether an Applicant has satisfied the requirements of this paragraph (b) and § 1805.200.

(1) *Primary mission.* A CDFI shall have a primary mission of promoting community development. In determining whether an Applicant has such a primary mission, the Fund will consider whether the activities of the Applicant individually and the Applicant and its Affiliates, when viewed collectively (as a whole), are purposefully directed toward improving the social and/or eco-

nomic conditions of underserved people (which may include Low-Income persons and persons who lack adequate access to capital and/or Financial Services) and/or residents of distressed communities (which may include Investment Areas).

(2) *Financing entity.* (i) A CDFI shall be an entity whose predominant business activity is the provision, in arms-length transactions, of Financial Products, Development Services, and/or other similar financing. An Applicant may demonstrate that it is such an entity if it is a(n):

(A) Depository Institution Holding Company;

(B) Insured Depository Institution or Insured Credit Union; or

(C) Organization that is deemed by the Fund to have such a predominant business activity as a result of analysis of its financial statements, organizing documents, and any other information required to be submitted as part of its application. In conducting such analysis, the Fund may take into consideration an Applicant's total assets and its use of personnel.

(ii) An Applicant described under:

(A) Paragraph (b)(2)(i)(A) of this section shall submit a copy of its organizing documents that indicate that it is a Depository Institution Holding Company;

(B) Paragraph (b)(2)(i)(B) of this section shall submit a copy of its current certificate of insurance issued by the Federal Deposit Insurance Corporation or the National Credit Union Administration; and

(C) Paragraph (b)(2)(i)(C) of this section shall submit a copy of its most recent year-end financial statements (and any notes or other supplemental information to its financial statements) documenting its assets dedicated to Financial Products, Development Services and/or other similar financing, and an explanation of how such assets support these activities. An Applicant also shall provide qualitative and quantitative information on the percentage of Applicant staff time dedicated to the provision of Financial Products, Development Services, and/or other similar financing.

(3) *Target Market*—(i) *General.* An Applicant shall provide a description of
